Dear Josh:

Enclosed is Leonard Herzenberg's curriculum vitae. I should tell you that he has been definitely offered a job in one of the other institutes and has tentatively accepted. On the other hand, I think an opening in your department would be so attractive that Herzenberg might wish to reconsider.

Cordially,

*Dear Harry -  
I'm sorry I was away this week, and  
could only just now take steps. I've written  
to Leonard asking whether he can keep his freedom  
of action until we can discuss possible  
arrangements. I'm all for  
going after him! Thanks  
Jm.*
